## Invest in Manchester

**With affordable cost of living, high quality of life, excellent educational prospects and a thriving economy, Manchester is attracting huge inward investment, pinpointing it as a world-class destination.**

A pioneer in everything from technology, engineering and computing to research and robotics, Manchester is progressive, vibrant and full of diversity. It is the third most visited City in the UK and attracts approximately 80,000 domestic and international students, boasting the largest campus in Europe.

Manchester has one of the most cosmopolitan populations in the UK. Bars and restaurants have boomed in recent years; there are 450 licensed bars in the city centre alone, catering for the rapidly expanding city population.

---

## Location

Manchester has a central UK location, bringing it within one hour's flight of London and two hours of most European capitals. A £400 million investment into Manchester Airport has resulted in passenger numbers increasing to over 40.7 million per year. The M60 Orbital Motorway has made the area more accessible than ever, whilst the comprehensive rail network boasts 142 route miles and 98 stations
